published in 1987 this posthumous publication 1902 on the important miscellanies of clement includes the complete greek text of book seven with english translation and detailed notes this is preceded by an extensive introduction based on the editor s lectures discussing christianity and philosophy in clement s foundational work which relates to a victorian debate concerning the supposed pollution of pure christianity by alien greek thought the editor argued that not only had hellenism been present from the earliest days of

christianity but also that the interaction between the two had resulted in a de secularization of philosophy he also emphasised clement s view that the archetypal christian ought to live as much by prayer and love as by knowledge and thought
